Acessar trabalho ou escola

Obtenha acesso a recursos como email, aplicativos e rede. A conexão indica que seu trabalho ou sua escola pode controlar alguns itens neste dispositivo, como quais configurações você pode alterar. Para obter informações específicas sobre isso, pergunte a eles.

Desconectar da organização

Segurança do Windows

Inserir dados da conta alternativa

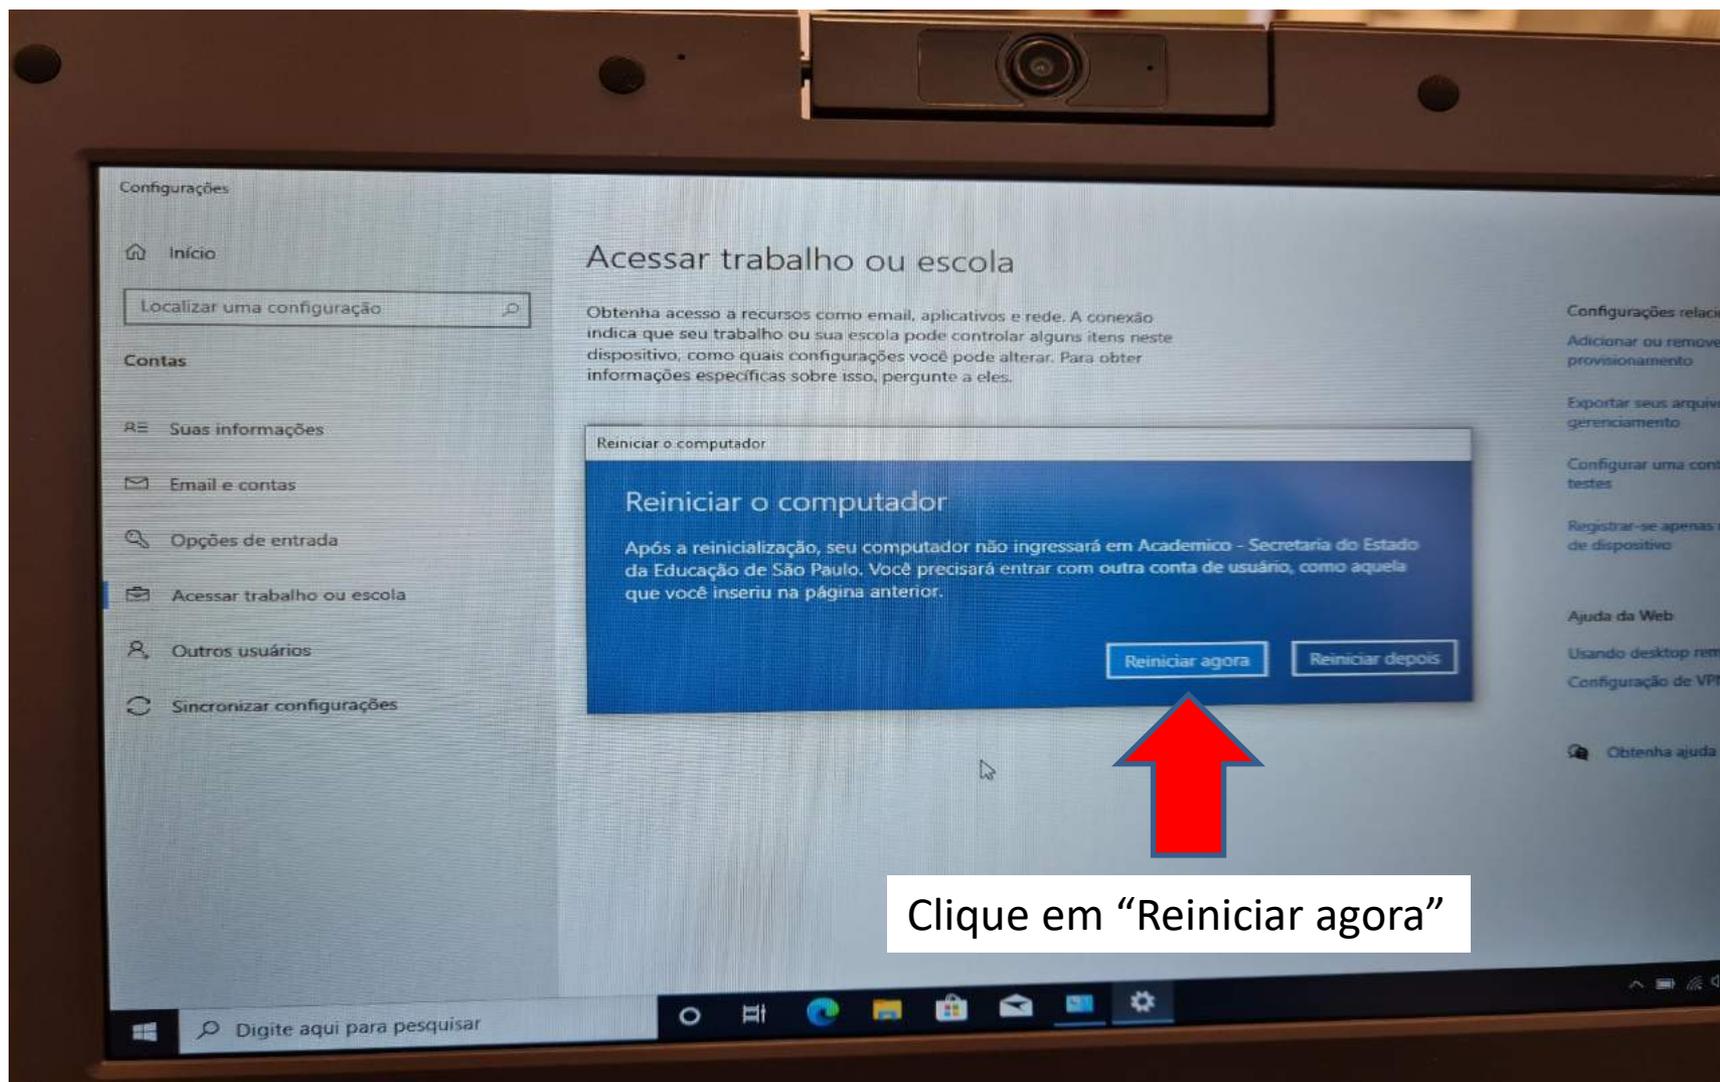

Para verificar se você pode entrar neste computador depois que se desconectar da organização, insira as informações de entrada de uma conta de administrador local. Pode ser uma conta da Microsoft ou uma conta local. Se você não tiver uma, deverá criá-la.

.\suporte

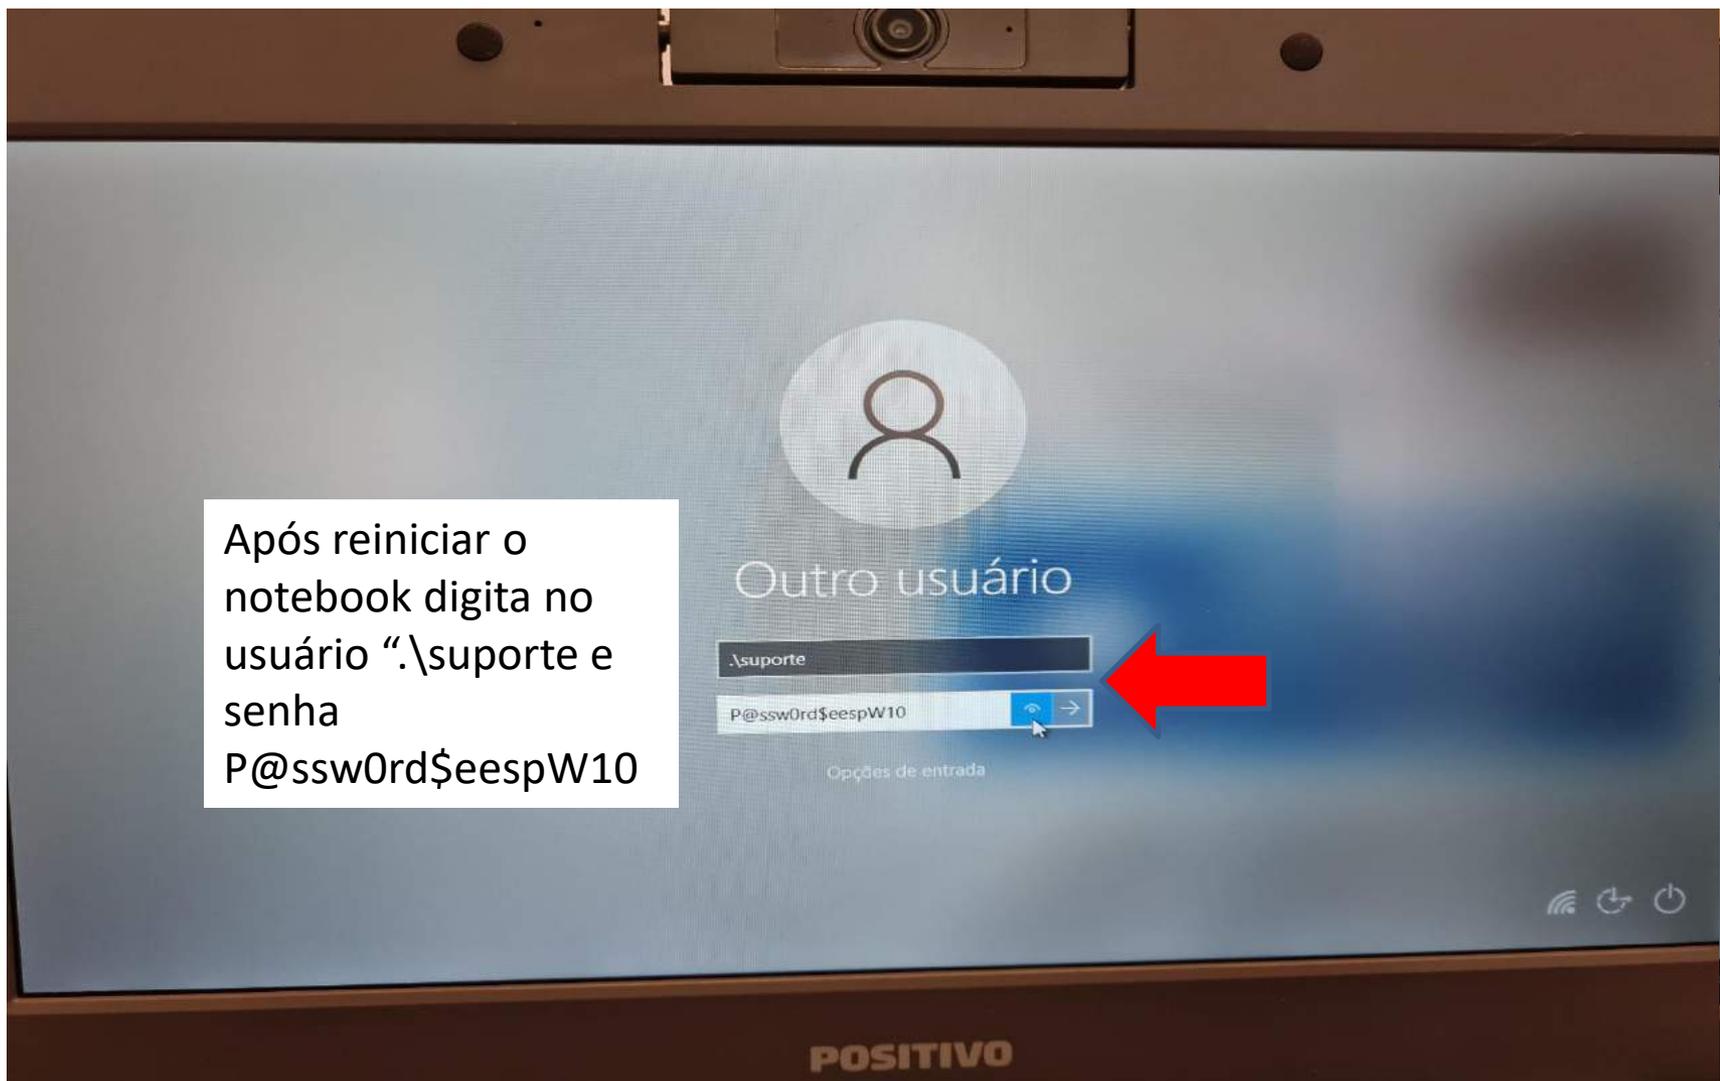

P@ssw0rd\$eespW10

OK Cancelar

Digite .\suporte e na senha P@ssw0rd\$eespW10
